

# Privacy Policy

Novartis considers the protection of your personal information and privacy a very important matter. We seek to adhere to all privacy laws and enforce clear policies on protecting personal information.

Our data privacy programme includes a global organisation and infrastructure as well as procedures and training to support local activities and help our efforts to ensure compliance.

Novartis processes personal information in a variety of contexts and we invite you to carefully read our Privacy Notices, which set out how we process your personal information and explain your rights and our obligations:

- [Website Privacy Policy](#)
- [Privacy Notice for Individuals Involved in an Adverse Event, Medical Information Query, or Product Complaint](#)
